MMT & BOARDWALK DESIGN AND DEVELOPMENT DEVELOP JOINT VENTURE

After working together at MetLife Stadium, home of the Giants and Jets, MetroMedia Technologies (MMT) Signage and Branding Group and Boardwalk Design and Development (BD&D) have developed a strategic partnership to be able to offer turnkey solutions to our customer base. Our partnership allows us to be able to take any concept or idea and turn it into a reality. We have combined the visual display world with the design and construction management world. What this means for the customer is that you have a team comprised of the best and most experienced personnel in the country that specialize in every specific segment of a visual display project at your disposal in one point of contact. What sets us aside from the competition is that we include, but not limited to, the following services.

- Consulting and Budget Design
- Value Engineering
- Graphic and Conceptual Design
- Architect/ Specifying Services
- Structural and Electrical Design/ Engineering
- Permit Expediting Services
- Manufacturing
- Custom Shipping Services
- Installation

IF YOU NEED A VISUAL DISPLAY OR BRANDING, IT'S AS SIMPLE AS GIVING US YOUR IDEA.
