Mr. Anthony Cappuccio
Boardwalk Design & Development, Inc.
9615 Ventnor Avenue
Margate, NJ 08402

Dear Anthony,

Your help in securing permits for our projects in New Jersey and Pennsylvania has been a great help to us.

Your method of organizing and tracking the submittals and changes has let us concentrate on our main task at hand, construction!

I am looking forward to continuing our great relationship.

Sincerely,

John Inglese
General Superintendent

Best wishes,
